INTRODUCTION OF SEEM

The Society of Energy Engineers and Managers (SEEM) is a national professional body of energy professionals committed to promoting energy efficiency, conservation and sustainable development since 2005.

OUR MISSION

To promote, encourage and recognize excellence in energy management and sustainable practices.

OUR VISION

A sustainable energy future through innovation, collaboration and responsible leadership.

WHAT WE DO

Capacity building, knowledge sharing, policy advocacy, certification, awards and global collaborations.

OUR NETWORK

15 Chapters | 7 Centres | Presence in 22 States
and growing globally.

SEEM works closely with industries, institutions, government bodies and global organizations to drive impactful energy initiatives and recognition programs.

OUR COLLABORATIONS – STRONGER TOGETHER

SEEM believes in the power of collaboration. Over the years, we have partnered with leading national and international organizations to drive energy efficiency, innovation and sustainability across sectors.

WHY TO PARTICIPATE?

Join India's Premier Platform for
**ENERGY, SUSTAINABILITY,
INNOVATION & LEADERSHIP**

Be part of a transformative movement that
recognizes excellence, fosters partnerships
and accelerates India's energy transition.

NATIONAL RECOGNITION

Receive prestigious national
recognition for your outstanding
contributions in energy efficiency,
innovation and sustainability.

HIGH-LEVEL NETWORKING

Connect with CXOs, government
officials, energy managers, ESG
leaders, innovators and industry
experts from across India
and beyond.

THOUGHT LEADERSHIP

Present your innovations, success
stories and best practices on a
grand platform and influence
the future of the energy
landscape.

GLOBAL VISIBILITY

Showcase your organization
before international delegates
and global energy & sustainability
communities.

LATEST TECHNOLOGIES

- AI & Digitalization
- Smart Energy Solutions
- Green Hydrogen
- Energy Storage
- Decarbonization

BUSINESS OPPORTUNITIES

Explore new business avenues
with EPC companies, consultants,
industries, investors and
technology providers.

BRAND PROMOTION

Enhance your brand visibility
through media exposure,
social media, exhibitions
and award recognition.

SUPPORT INDIA'S NET-ZERO MISSION

Align with national sustainability
goals and contribute to a clean,
resilient and sustainable
energy future.

GLOBAL ENERGY EXCELLENCE

— CONCLAVE & AWARDS —

3RD & 4TH
DECEMBER 2026

DR. AMBEDKAR
INTERNATIONAL
CONVOCATION CENTER,
NEW DELHI

WHY TO PARTICIPATE IN GLOBAL ENERGY EXCELLENCE CONCLAVE & AWARDS?

Be a part of India's most prestigious platform that recognizes excellence,
fosters collaboration and drives the global energy transition forward.

RECOGNITION & PRESTIGE

Gain national and global recognition for your outstanding contributions in energy efficiency, sustainability and innovation.

NETWORKING & COLLABORATION

Connect with industry leaders, policymakers, investors and innovators to build valuable partnerships and explore new opportunities.

SHOWCASE LEADERSHIP

Position your organization as a thought leader and showcase your initiatives, technologies and best practices to a global audience.

LEARN & STAY AHEAD

Engage in insightful sessions, expert panels and technical discussions on emerging trends, policies and breakthrough technologies.

ENHANCE BRAND VISIBILITY

Increase your brand presence through extensive media coverage, digital promotion and association with a premier national platform.

CONTRIBUTE TO A SUSTAINABLE FUTURE

Align with global sustainability goals and contribute to India's energy transition and a clean, resilient and sustainable future.

BENCHMARK & IMPROVE

Benchmark your performance with industry best practices and gain insights to continuously improve and excel.

BE PART OF AN ELITE COMMUNITY

Join a distinguished community of energy professionals and organizations committed to excellence and positive impact.

“ Collaborate. Innovate. Inspire. Lead the Change Towards a Sustainable Tomorrow. ”

11TH SEEM GLOBAL ENERGY EXCELLENCE CONCLAVE & AWARDS 2026

3RD & 4TH
DECEMBER 2026

DR. AMBEDKAR
INTERNATIONAL
CONVOCATION CENTER,
NEW DELHI

DRIVING INNOVATION | ADVANCING SUSTAINABILITY | EMPOWERING FUTURES

HOW TO APPLY

A simple 5-step nomination process
to recognize excellence.

01

STEP 1

Choose the award
category that fits
your achievement.

02

STEP 2

Submit your nomination
through SEEM
Official Website.

03

STEP 3

Selected entries will be
awarded with a Unique
Identification Code (UID)
in user dashboard and
nominated for the
awards selection.

04

STEP 4

Details and supporting
documents submission
with necessary applicable
fees for jury assessment.

05

STEP 5

Expert Jury Verification
and evaluation and
selection and attend
the grand awards
ceremony in Delhi.

RECOGNIZING EXCELLENCE.
DRIVING A SUSTAINABLE CHANGE.

www.seemindia.org

APPLICATION PROCESS

Self-Assessment & Category Selection

Before applying, assess your eligibility, achievements and impact to select the most suitable award category, ensuring alignment with your strength and category requirements for a strong application.

Pre-Register Online

Visit seemindia.org and complete pre-registration for 1st Level Assessment.

First-level assessment

If Selected • Receive UID Code

Selected participants receive a Unique Identification Code for formal submission.

Submit Documents And Fees

Upload all relevant documents, completed application form, and nomination fee.

Unique ID code should be mentioned in all supporting documents and correspondence.

Expert Jury Review

Jury of eminent energy experts evaluates all entries. Results will be published in October 2026.

During evaluation, the Award Jury will conduct the concerned Awardee via Telephone/ Interaction or online meeting.

Attend the Ceremony

Celebrate excellence and be recognized on a grand stage.

OUR KEY ACTIVITIES

AWARENESS PROGRAMMES

- ✓ Capacity Building Programmes on Energy Efficiency
- ✓ Residential Association Energy Conservation Campaigns
- ✓ Energy Talks & Evening Meets
- ✓ Seminars on Energy Efficiency Best Practices
- ✓ Financial Literacy & Energy Efficiency Workshops for MSMEs
- ✓ Awareness Programmes for Schools & Engineering Colleges
- ✓ Energy Conservation Lectures & Faculty Development Programmes

OPTIMISE FOR PROFIT SERIES

- ✓ Refrigeration & Air Conditioning
- ✓ Energy Efficiency in Lighting
- ✓ Renewable Energy Applications
- ✓ Energy Efficiency in Pumping Systems
- ✓ Compressed Air Systems
- ✓ Energy Efficiency in Steam Systems

CHAPTER PROGRAMMES

- ✓ Conferences, Seminars & Workshops
- ✓ Energy Management in Hotels, Hospitals & Industries
- ✓ Workshops on Renewable Energy & Energy Efficiency
- ✓ DSM Overview & Process
- ✓ Faculty Development Programmes
- ✓ Power Quality Management & More

MAJOR PROGRAMMES CONDUCTED ACROSS INDIA

Category	Locations Covered	Key Themes	No. of Programmes	Participants
 Awareness Programmes	Kerala, Tamil Nadu, Puducherry, Andaman & Nicobar Islands, Gujarat	Energy Efficiency, DSM, Energy Conservation Awareness	18	662
 Optimise for Profit Series	Kerala, Karnataka, Tamil Nadu	Efficiency in Systems & Operational Excellence	6	204
 Chapter Programmes	Punjab, Kerala, Tamil Nadu, Chhattisgarh, Gujarat, Uttar Pradesh & More	Conferences, Seminars, Workshops, Energy Management	21	786
 College & Faculty Development	Kerala (Multiple Engineering Colleges & Institutions)	Faculty Development, Student Awareness, Energy Conservation	10	372
 Financial Literacy & MSME Workshops	Chennai, Hyderabad, Agra, Jaipur, Ahmedabad	Financial Literacy & Energy Efficiency for MSMEs	8	440
